Subject: **MONITOR ADVOCATE OFFICE ON-SITE ANNUAL REVIEW
PROGRAM YEAR 2007-2008
BAKERSFIELD AND DELANO JOB SERVICE SITES
FINAL MONITORING REPORT**

This Final Monitoring Report summarizes the California Monitor Advocate Office's (MAO) results of the Migrant and Seasonal Farmworkers (MSFWs) on-site annual review of both the Bakersfield and Delano Job Service (JS) sites. Francisco Macias Jr., Associate Monitor Advocate, and I conducted this annual review from June 10, 2008 through June 12, 2008. We focused our annual on-site review on the full range of employment services, benefits, and protections, including the full range of job and training referral services, counseling, and testing provided to MSFWs.

The MAO conducted this annual on-site review under the authority of all related Federal Regulation, including Title 20 of the Code of Federal Regulation (CFR), Chapter V, Parts 651, 653, and 658, applicable State laws, and Employment Development Department (EDD) JS policies and procedures. Specifically, Title 20 CFR, Part 653.108, requires the MAO to perform ongoing reviews of services provided by the EDD to MSFWs.

We collected information for this report by examining both the Bakersfield and Delano JS sites' provision of services, job information sharing and job application taking process, outreach program operation, data collection, agricultural clearance order activity, and JS complaint system. Additionally, we interviewed Bakersfield and Delano JS sites' management and staff.

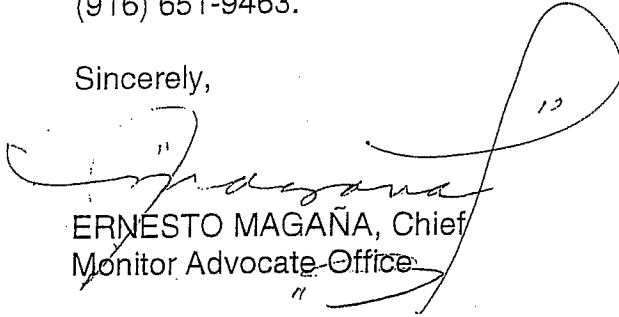

RESULTS:

There were no findings associated with this annual on-site review. Consequently, we are issuing this report as the final report.
